Land of Lincoln Honor Flight Veteran Application

Honor Flight recognizes American veterans for your sacrifices and achievements by flying you to Washington, DC to see YOUR memorial at **no cost**. Top priority (for which we are currently accepting application only) is given to WW II and terminally ill veterans from all wars. In the future, *Honor Flight* will be expanded to include Korean and Vietnam veterans. In order for *Honor Flight* to achieve this goal, guardians fly with the veterans on every flight providing assistance and helping veterans have a **safe**, memorable and rewarding experience. For what you and your comrades have given to us, please consider this a small token of appreciation from all of us at *Honor Flight*.
